SCRIPTURE UPDATE by Rob Waugh

It's very exciting to announce the start of Scripture @ Carlingford High School for 2010.

We've got a great bunch of Scripture teachers from various local churches set to take up this great opportunity to share the Gospel openly and freely with the vast majority of year 7 & 8 students.

We have approximately 220 students in scripture across both years.

This means that 220 pairs of ears are going to hear the powerful truth about Jesus Christ; 220 hearts are going to be engaged by the exciting challenge and adventure that Jesus Christ offers – Life to the Full. It's the kind of life promise you can't get anywhere else.

So please be praying for us as we all get in there week-in week-out for the next 10 weeks [excluding holidays].

Pray for ears to hear, eyes to see, and hearts that are ready to receive the good seed. Pray for the hearts of these young people to be fertile soil – the kind that produces a 30, 60, 100 fold harvest.

If you would like to put up your hand to be a back-up teacher – just in case we have a sick or otherwise unavailable teacher one week – please let me know in the office on 9875 0300.

LAUNCH PAD by Linda Quinn

Launch Pad kids have been unpacking the value of honesty.

In a world that encourages you to get what you want however you can, honesty has been discarded in many ways as "old fashioned", but like all the other values that God has given us to live by, it serves a purpose in helping us take hold of the abundant life Jesus talks about in John 10:10. Honesty doesn't just happen. It is always a choice.

As we walk this out alongside our kids we can help them see this in action.

Sharing our faith isn't about always getting it right, or being the perfect model. It's about letting them see the story of redemption and restoration that God is telling through our lives!
