ENLARGE THE PLACE OF YOUR TENT

by Ps. Richard Botta
C3 South Asia Regional Overseer

Isaiah is prophesying fruitfulness over the nation of Israel in Isaiah 54:2!

Isaiah is speaking about the growth and increase God wants for His people. As I look at the South Asia region I hear the Lord saying "Enlarge the Place of Your Tent"! There is a coming fruitfulness in the churches that requires bigger people, bigger thinking, bigger vision and bigger facilities.

Enlarging – is an activity we do. We may be tempted to think God needs to do the enlarging in us. However, He has taken the initiative by prophesying over us that we are to Enlarge! When we believe this word from God His grace, His power enables us to Enlarge. We are to wait upon Him with expectancy and take steps of faith that stretch us.

Enlarging the Place of Your Tent includes the area where you dwell. What is the sphere of influence you currently have? What is the city, suburb, village, neighbourhood that God has given to you to influence? I believe God is saying look up, lift your eyes – expand your vision. Where you have 100 people in your church begin to see 150 people. Where you have 300 people see 450 people. Where you have 1000 people see 2000 people. Where you have 10000 see 20000.

Enlargement is about who we are not just what we see. Our growth and development in our abilities in leadership and ministry come into focus in this regard.

ENLARGE THE PLACE OF YOUR TENT continued

Asking questions like: "How you are deepening your life in the Word and Spirit?" helps to focus us to the challenge at hand.

Our training week in May will release a fresh impartation of the Spirit to create breakthroughs in our thinking, as well as develop our abilities in leadership and ministry. It will be a time of enlargement!

It's time to enlarge now – not wait for growth to occur so that we bulge at the seams with our net breaking for lack of preparation!

The South Asia region is home to 24% of the world's population. It's a region where we must enlarge our thinking from the small numbers of tens, hundreds and thousands. I have been challenged by the Lord in my praying to speak out over the region in tens of thousands and hundreds of thousands in C3 Churches in every Major and Regional city!

We are to Enlarge the Place of Our Tent!

Small thinking will limit us. Unless we allow God to renovate our minds – renewing them to think His thoughts and importantly in His ways we are lost to the future He has destined for us.

It is time for us to Enlarge the Place of our Tent for C3 South Asia and it starts with and in us!
