How does your child know you love him/her?

Everyone needs to know that they're loved; in every family the way that love is expressed will be different.

There are 5 love languages.

One of those is words of encouragement.

For a child, words of encouragement are positive affirming words. They build:

- 1. The sense of acceptance.*
- 2. That they are special and unique.*
- 3. That they are loved.*

Why not try words like:

- I love you so much.
- Thanks for helping me.
- You're just amazing.
- What a fantastic job.
- I knew you could do it.
- You are really special.
